

HAYWARD “DAN” FISK

Executive Vice President | General Counsel

Prior to joining CoreStrategy, Mr. Fisk served as Vice President, General Counsel and Secretary of Computer Sciences Corporation (CSC), a Fortune 150 company, for nearly 20 years. Formerly the Vice President and Associate General Counsel for Sprint Corporation, he held various legal and executive positions for over 20 years. Most recently, Dan served for nearly three years as a senior corporate partner in the LA/Century City office of DLA Piper, the largest global law firm in the world.

In 2011, he was elected to the Board of Governors of the Kansas University School of Law and more recently was elected to serve with business leader Paul Kessler, former CA Governor Gray Davis, former Joint Chiefs of Staff General McPeak and two others on the Board of Directors of Start Engine, an incubator for technology companies in the greater Los Angeles area. There are 500 companies expected to be spawned through Start Engine over the next five years.

Mr. Fisk is the Chairman of the Atlantic Legal Foundation, Executive Committee member of the Rand Institute for Civil Justice; Board of Governors for the Kansas University School of Law; Board of Directors of Start Engine; and Board Member of Orange Legal Technologies. His past board memberships include the International Board of the Association of Corporate Counsel; Pennsylvania Chamber of Commerce; Dickinson College; the Carlisle War College; the Hospital in Carlisle, Pennsylvania; United States Chamber of Commerce Government Regulatory Affairs Committee; American Film Institute and the National Board of the American Society of Corporate Secretaries and Governance Professionals.

Mr. Fisk is the recipient of numerous awards recognizing his professional accomplishments in corporate practice, his personal integrity, his commitment to the advancement of the in-house practice of law and his pro bono activities.

Mr. Fisk has written and spoken extensively in legal journals and before professional groups on the subjects of law department management, managing inside/outside counsel relationships, litigation costs control, the use of technology in the courtroom, advanced trade secrets in business transactions, insurance strategies, the attorney/client privilege and corporate governance.
